## 2024 Official Call To Conference

To All Members and Friends of the New York State Federation of Republican Women:

I, President Trisha Turner, am pleased to announce the 105th New York State Federation of Republican Women 2024 Call to Conference in accordance with Article VI, Section 1 of the NYSFRW Bylaws. This conference is being held at the Crowne Plaza Albany - The Desmond Hotel from **Sunday, May 5 - Monday, May 6, 2024** located at 660 Albany Shaker Road, Albany, NY 12211. This notice serves as the official Call to the Executive Committee and General Assembly meetings being held in conjunction with the Annual Conference.

We are excited to welcome an incredible slate of speakers this year that will inspire, educate, and engage with our conference attendees. This event presents an excellent opportunity to connect with like-minded individuals from across the state who share our principles and beliefs.

Last year, our members demonstrated remarkable dedication by making over 100,000 phone calls as part of our "Strike Force" initiative to support candidates statewide. We hope this conference will activate an energized coalition to help deliver local, state, and federal candidates. It is imperative that we work together to communicate the issues that affect our state and country during this critical Presidential year. We can have great impact when we are united in our mission.

I look forward to seeing you at the conference!

For Liberty,

*Trisha Turner*
